Moments from the Night & Fundraising Impact

Battle of the Buildings was built around one goal, raising funds for our Senior Initiative Campaign and creating meaningful experiences for our students.

Through ticket sales, walk-in donations, concessions, and the 50/50 raffle, we raised approximately \$800 toward prom, senior trips, and student celebrations.

One of the most meaningful moments of the night, our UPrep CEO, Walter Larkin, won the 50/50 raffle and generously donated it back to the fund, reinforcing what this event was all about.

Why This Matters

Our Senior Initiative Campaign helps fund prom, senior trips, and meaningful student experiences. Thank you to Cherelle Walker and Shannon Henderson for leading this effort. We are still short of our goal and will continue campaigning through June 15.
